

PAUL CONTI

Medici Ridge **Shiraz** **2009**

The 2009 Medici Ridge Shiraz is a soft, stylish, medium bodied shiraz produced from premium hand-picked West Australian fruit.

Fermented in traditional open fermenters before 8 months' maturation in seasoned French oak has resulted in a wine with excellent varietal flavours and complexity.

The bouquet exhibits lovely mulberry and plum fruit flavours underpinned by subtle oak and a long lingering, soft palate.

Enjoy now with game or your favourite slow cooked casserole, or cellar for further complexity.
