

PAUL CONTI *Wines*

Mariginiup Reserve Port

This tawny style port is made from old established grenache vines planted at our *Mariginiup* Vineyard in 1948. A touch of shiraz adds a little extra punch to this wine.

Carefully blended from old port barrels of varying vintages, dating back 10 years or more stored in our cellar.

Savour with freshly ground coffee, dark chocolate or serve with your favourite cheese selection.
