**Tempranillo
2010**

Love this highly drinkable tempranillo. Perfumed bouquet of spices and red berry with a touch of confectionary.

The palate is so seamlessly soft and generous with effortless control and poise.

Fine tannin and very fine oak integration. Excellent wine.

The West Australian Wine Guide 2012 by Ray Jordan

Juicy, rich mulberries and earth with hints of blackcurrant leaf and licorice on the nose.

Sweet mulberries and blood plums on the palate. Good length, balance and texture.
