

# PAUL CONTI *Wines*

## *Mariginiup* Reserve Port

This tawny style port is made from old established grenache vines planted at our *Mariginiup* Vineyard in 1948. A touch of shiraz has been added to give this style added punch.

The wine has been carefully blended with ports of varying vintages, dating back 10 years or more from old port barrels in our cellar.

Savour with fresh ground coffee, dark chocolate or serve with your favourite cheese selection.
