

# PAUL CONTI *Wines*

## *Unwooded* Chardonnay 2008

Chardonnay grown on the unique limestone based soils at The Tuarts Vineyard, Carabooda is ideal for the production of this fresh, unwooded style.

Likened to a classic Chablis style, the bouquet exhibits lifted citrus and peach aromas, followed by a ripe, full flavoured palate.

The finish is long and crisp making it an ideal food wine and a great match with grilled chicken or fresh seafood.
