

PAUL CONTI

Mariginiup Reserve Muscat

A careful blend of barrel aged, ten year old muscat sourced from 50 year old vines at Paul Conti's premium *Mariginiup* Vineyard.

Luscious sweet muscat fruit is beautifully balanced by a clean dry finish and classic light rancio characters.

With a preference for festive delights, our Reserve Muscat is a match made in heaven with rich fruit cake, dried nuts or soft gooey cheeses.

Elegant and stylish packaging makes this wine the perfect hamper friend.

“Left with a slice or two of rich fruit cake in the cupboard? Maybe a handful of dried nuts that the hungry hordes missed? All you need is a slice or two of soft cheese and a bottle of this. It’s luscious, essentially dry and with soft, light rancio characters. It is also very more-ish.”
