

# PAUL CONTI *Wines*

## *Mariginiup* White Liqueur

A luscious fortified, sweet white wine made from old established muscat vines grown at the Mariginiup vineyard [est 1948].

Only the finest free run juice is used resulting in a pristinely fresh, lifted floral bouquet and a sweet clean palate.

This wine has many delightful uses. As an aperitif, serve chilled over crushed ice and a squeeze of lemon/lime, or accompany with light cheeses and fresh ground coffee.
