

# PAUL CONTI *Wines*

## *Mariginiup* **Shiraz** **2018**

The vineyard has produced some of my favourite Western Australian shiraz for some years now.

The vineyard near the family home was planted in 1958 and produces such elegant and stylish expressive fruit.

This is one of the very best. Smooth and velvety with tremendous depth and concentration, plus that impeccable balance that sets it apart.

There is an energy in here that lifts through the long finish.
