

# PAUL CONTI *Wines*

## *Margaret River* **Cabernet Malbec** **2015**

Cabernet sauvignon and malbec grown in Margaret River hail from vineyards of excellent soil quality and viticultural practices.

Rich red berry fruit flavours dominate hints of regional mint and quality dusty oak.

A stylish, medium-bodied cabernet malbec exhibiting a medley of back forest fruits, olives and violet characters.

Ripe and lingering with a persistent, gravelly finish – this is an eponymous Margaret River style.

### **Winemaker's notes:**

*“Our Margaret River 2015 cabernet malbec has a special spot for me. I have been intent on making one since we acquired our Margaret River property over a decade ago, and now that the fruit is thriving, I’m embracing its creation.*

*Ours is inspired from the Langhorne Creek reds I loved when living and studying in South Australia. Most were made with malbec which imparts a lovely juicy, earthiness which personally, I really enjoy.”*
