

PAUL CONTI *Wines*

LORENZA Sparkling Chenin Blanc NV

Named in honour of Jason's first-born daughter Lauren Rose, Lorenza is an elegant sparkling wine made by using the traditional method.

Chenin blanc fruit is picked early to retain natural acidity then kept on lees for added complexity and creamy mouth feel.

The palate displays both softness and a crisp, fresh finish. Serve chilled as a light aperitif or with festive accompaniments and good friends.

Inspired after spending time working at French winery in the late 90s, Jason was the first winemaker in Western Australia to produce a sparkling chenin blanc style.

Region: Swan Coastal/Swan District WA
Vineyard: Carabooda, Perth
