

PAUL CONTI *Wines*

Margaret River Sauvignon Blanc 2021

Sauvignon blanc is grown on our Miamup Road vineyard in Cowaramup, Margaret River.

Entirely hand-picked and fermented cool to retain the lifted tropical fruit flavours typical of the variety which we've grown on an ideally located site.

Extended lees contact in tank with a small proportion aged in seasoned French oak has added texture and some middle palette fullness to this delightfully refreshing style.

Enjoy in its youth with fresh local shellfish.

Alc 12.5%
