

PAUL CONTI *Wines*

Margaret River Sauvignon Blanc 2022

Sauvignon blanc is grown on our Miamup Road vineyard in Cowaramup, Margaret River.

This wine is entirely hand-picked and fermented cool to retain the lifted tropical fruit flavours typical of the variety which we've grown on an ideally located site.

Only the finest free run juice is used and extended lees contact has added texture and some middle palate fullness to this delightfully refreshing style.

Enjoy in its youth with fresh local shellfish.

Alc: 12%
GI: Margaret River
pH: 3.07
